IMPRISONMENT

The defendant is hereby committed to the custody of the United States Bureau of Prisons to be imprisoned for a total term of 46 months.

The Court has considered the Guidelines and, in arriving at its sentence, has taken account of the Guidelines with other sentencing goals. Specifically, the Court has considered the Guidelines' sentencing range established for the applicable category of offense committed by the applicable category of Defendant. The Court believes that the Guidelines' punishment is appropriate for this sort of offense. Therefore, the sentence in this judgment is consistent with a guideline sentence. The Court has considered the kind of sentence and range established by the Guidelines. The Court believes that a sentence of 46 months reflects the seriousness of the offense, promotes respect for the law, provides just punishment, affords adequate deterrence, protects the public, avoids unwarranted sentencing disparities among similarly situated defendants, effectively provides the Defendant with needed education or vocational training and medical care, and otherwise fully reflects each of the factors embodied in 18 U.S.C. Section 3553(a). The Court also believes the sentence is reasonable. The Court believes the sentence is sufficient, but not greater than necessary, to comply with the purposes set forth in the Sentencing Reform Act.

The Court recommends the defendant participate in the Bureau of Prisons 500 hour drug and alcohol treatment program.
